Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. §1.56, Applicant hereby submits the following information in conformance with 37 C.F.R. §§1.97 and 1.98. Pursuant to 37 C.F.R. §1.98 and the waiver specified in United States Patent and Trademark Office OG Notices of 05 August 2003, copies of U.S. patents, U.S. patent application publications, and copending applications filed on or after June 30, 2003 need not be submitted.

In addition to the information provided on the attached PTO/SB/08, also submitted herewith is a copy of a PCT Search Report issued in connection with International Application No. PCT/GB99/03089, mailed June 21, 2000 and a Search Report issued in connection with counterpart Great Britain Application No. GB 9820430.8, mailed March 30, 1999.

I, the undersigned, hereby state that each item of information listed on the attached PTO/SB-08 of this Information Disclosure Statement was either previously cited by the Office or submitted in copending US. Patent Application No. 09/787,353 naming Richard C. Phelps et al. as inventors and filed June 12, 2001. Because the present application (i.e., U.S. Patent Application No. 10/827,356) relies on US. Patent Application No. 09/787,353 for an earlier effective filing date under 35 U.S.C. § 120, copies of the documents listed on the attached PTO/SB-08 are not being provided herewith; see 37 C.F.R. §1.98(d)(1).

By citation to the copending applications, confidentiality is not waived and the Office is requested to maintain the confidentiality of the copending applications under 35 U.S.C. § 122

This information is being submitted within 3 months of the filing or entry of the national stage of this application or before the first Office Action on the merits, whichever is later, therefore no fee or statement is required under 37 C.F.R. § 1.97(b).

This Information Disclosure Statement contains information that is not in the English language but was cited in a search report or other action by a foreign patent office in a counterpart foreign application. In accordance with M.P.E.P. § 609A(3), an English language version of the search report or action which indicates the degree of relevance found by the foreign office is being submitted herewith.
